EAMN MISSIONARY APPLICATION – Section 2

If yours is a new (first-time) application to the EA Mission Network, please complete and return the following background paragraphs, by email or mail. Use extra pages as necessary. We will contact you when we have received all your information for Sections 1 and 2 of the application. We expect that there will be an EA church or pastor who has endorsed your missionary involvement if you are not a member of the EA currently. You may personally join the EA any time – see the webpage for membership instructions. If accepted in the EAMN, your name and contact information may be listed in the next edition of our EA Calendar, as well as your name printed in the monthly sections of the calendar as one of the missionaries for whom people pray. Remember, if you are in a restricted area reaching non-Christians, you may circle "No" in the line in Section 1 that gives your approval to printing your name and/or location in the EA Calendar or on EA's webpage. Thanks for your interest in the Mission Network of the Evangelical Association.

Your Name: _____ Email: _____

- 1. Please give any background information helpful to us regarding your geographical area of service. This information will be kept confidential upon request. State the reason you are requesting confidentiality regarding EA quarterly newsletters or EAMN lists of missionaries, especially if you want to remain on the list but not have your names published on the internet.**
- 2. Describe the scope of your mission work, and if married, include what your spouse does in ministry (co-ministering, secular work, or to be there with you, raising your family).**
- 3. Describe your salvation experience of knowing Jesus Christ and the call to the mission field, (and include spouse's personal salvation experience, if applicable.)**
- 4. Describe the specific training and education you have had for mission work. Include dates and programs you (and spouse, if applicable) attended or graduated from whatever colleges, seminaries, Bible schools, or other training sites prior to, or during, your missionary experiences. What qualifies you?**
- 5. Please list your monthly support needed, monthly support currently receiving, and a monthly or annual budget showing the categories or line items of your personal and mission expenses. This is required if you want EAMN to pass on your names to the EA network for the possibility of receiving financial support as a missionary.**

Thank you for completing the application. We'll be in touch soon. God bless you!
